► **Keep your contact information up to date** on the Personal Portfolio part of your CamSIS Self-Service pages; your assessors (or this office) may need to communicate with you at short-notice regarding your oral examination.

Voluntary disclosure of additional requirements of relevance to *viva* examinations for programmes examined by thesis and oral only, including the first year assessment

The Degree Committee wishes to ensure that all candidates are examined appropriately.

You will have been invited when you applied for admission to disclose any disability or chronic illness. Whether or not you did disclose at the time, you may wish to do so now, or to update this information, so that we are aware of any additional requirements required for your oral examination. ***The examiners will be supplied with the information from this form, rather than any previous disclosure of disability.***

For example, if you need a **BSL interpreter** or **wheelchair access** it might be helpful if the examiners know this.

If you are **dyslexic** or have **other specific learning difficulties**, you might wish the examiners to be aware of this when they conduct the viva. However, please bear in mind that the Degree Committee ***expects you to have taken all reasonable means available*** to make sure that your written work has been checked for spelling and other typographic problems before it is submitted for examination. If you and/or your supervisor are unsure about what **assistance** might be available for helping with production of a well-presented dissertation, please consult the Disability Resource Centre's website <http://www.admin.cam.ac.uk/univ/disability/students/dyslexia.html>, or ask your College Tutor.

► **Please note that the examiners do not take into account any disability when judging the merit of the dissertation itself – this stands on its own merits as a piece of written work.**

► **Disclosure at this stage is entirely voluntary and for the purpose of the oral examination only.**

If you wish the examiners to be aware of any disability or chronic illness when arranging or conducting the viva examination, please complete the following form: (tick the box to the left of the relevant statement)
